Accommodation

The Grand hotel du Roi René is rather expensive for staying overnight, so you might wish to use the pre-booked hotels for the CIRCLE-MED conference located on the map.

The Hotel Booking Service at the Tourist office in Aix-en-Provence has pre-booked hotel rooms in the town. This free service is made available to insure your hotel reservation.

As there is a high level of tourist activity in Aix-en-Provence, we strongly recommend that you send back the hotel registration as soon as possible.

To benefit from preferential tariffs, the [hotel registration form](#) should be sent back before the 19th of February 2011. After this date, no guarantee of availability or tariff can be made.

Please get in contact with the Hotel Booking Service at your earliest convenience to book your hotel or for any complementary information.
