[Special Report on Managing the Risks of Extreme Events and Disasters to Advance Climate Change Adaptation \(SREX\) - Launched](#)

Extreme weather and climate events, interacting with exposed and vulnerable human and natural systems, can lead to disasters. This Special Report explores the social as well as physical dimensions of weather- and climate-related disasters, considering opportunities for managing risks at local to international scales.

[CIRCLE-2 MOUNTain Mid-Term Meeting - Presentations now available](#)

The CIRCLE-2 MOUNTain Mid-Term Meeting has successfully been held in Innsbruck, Austria. Surrounded by a nice alpine panorama, the four funded CIRCLE-2 MOUNTain projects presented their Mid-Term Results in front of an audience of leading known experts in the field of climate change related risks and adaptation in the mountain areas.

[UNFCCC request for input on "Approaches to address loss and damage" - literature review on information and case studies](#)

The COP requested the secretariat to conduct a literature review on information and case studies on a range of approaches to address loss and damage associated with the adverse effects of climate change. To this end, we would like to invite contributions for inclusion in this work

[CLIMATE-ADAPT - New website to assist with climate change adaptation in Europe launched!](#)

The European Climate Adaptation Platform (CLIMATE-ADAPT), formerly known as EU Clearinghouse on adaptation, aims to support Europe in adapting to climate change.

[Interesting newsletter#5 from the Danish Portal for Adaptation to Climate Change launched](#)

The Danish Portal for Adaptation to Climate Change distributes an English newsletter when new knowledge, new tools or new cases are presented on the portal, or when important events are being held.
