News

[INSPIRATION BOOK - Last call for inspiring adaptation projects](#)

To show the progress in Europe on adaptation to climate change and to showcase inspirational and daring adaptation projects ERANET CIRCLE-2 works on a bold and visual inspiration book with good practices of implementation of adaptation strategies and projects in Europe.

[Final results from Joint CIRCLE-2 SHARE and JPI CLIMATE Scoping Workshop on Climate Services. Now available for download.](#)

CIRCLE-2 and JPI CLIMATE organized jointly a scoping Workshop on "Processes for improving the interface between climate Research and its application: sharing experiences on Climate Services development in Europe". The results are now available for download.

[Status of the Guidance on dealing with and communicating climate and climate change uncertainties in support of adaptation decision-making](#)

One of the main goals of the Joint Initiative on Climate Uncertainties is to publish a Guide on how to deal with uncertainty in adaptation decision-making (including policy-making) that is able to provide practical case-study examples where dealing with uncertainties was successfully accounted for (or identified but failed).

[FIRESMART Project -Final results](#)

The FIRESMART project has come to an end and now it's possible to watch in the Website the project FINAL VIDEO (in several languages), and a GAME - for people aged 6 to 99 - intended to educate on the importance of integrating Wildfire Prevention and Sustainable Forest Management (this is also in several languages).

[JPI FACCE launched 1st newsletter](#)

Joint Programming Initiative on Agriculture, Food Security and Climate Change (FACCE – JPI) launched the first newsletter. This issue features updates on FACCE – JPI activities and an interview with the coordinators of the FACCE – JPI pilot action: the project FACCE MACSUR, which was officially approved. for funding on April 11, 2012.
