

Abstract submission for poster presentation

[CIRCLE-2] Workshop

“Responses to Extreme water related events”

22 and 23 November 2012

Human & Social Sciences center (CSIC), Madrid, Spain

The workshop scientific committee invites researchers working on the topics of the Workshop, to submit short abstracts for poster presentations.

Format

The body of the abstract should summarise the subject in a maximum of 250 words, and it should be prepared with any standard Microsoft Office processing system.

The official language of the workshop will be English. All posters must be written and presented in English. Selected abstracts authors will be expected to attend the conference and present their posters themselves.

Submissions are sought to address topics related to the full range of research and applied projects on how to adapt human systems (water, food, infrastructures and societal) to extreme water related events namely, droughts and floods.

Deadlines

The call for abstract submission for poster presentation is open until 12 Nov 2012.

Abstracts will be selected following evaluation by the workshop scientific committee. Acceptance of abstracts will be notified to the Leading Author no later than 15 Nov. 2012.
