ANNOUNCEMENT

CIRCLE-2 SHARE Workshop “Adaptation Platforms in Europe: Addressing challenges and sharing lessons”

Vienna, Austria 7-8 November 2013

The Meeting’s **OBJECTIVE** is to engage platform managers and developers of national and regional web-based platforms within Europe (including Climate-ADAPT) to explore lessons learnt, experiences and challenges associated with developing and delivery of adaptation platforms.

The Environment Agency Austria (EAA) is hosting the workshop, which is organized in the frame of the CIRCLE-2 ERA-Network that comprises different national climate change impacts, vulnerability and adaptation research programmes in Europe and follows the EEA’s Experts Meeting on ‘National Adaptation Platforms’ held on 19 June 2013 in Copenhagen.

The **RESULTS** of the workshop shall be followed up in proceedings of the workshop; a summary of lessons learnt and challenges associated with developing and delivering information to support climate change adaptation in the European landscape through web-based platforms; ‘guidance’ on good practice for management and delivery of adaptation web-based platforms; and Identification of other outputs and next steps dependent on deliberations and needs as identified during the workshop.

Because of limited space, the Meeting is by invitation only, but in case you are interested to participate or need more information, please contact Markus Leitner
